## About Me

Experienced video editor with a keen eye for detail and a passion for storytelling. Proficient in Adobe Premiere Pro, After Effects, and Davinci Resolve. A creative problem-solver with strong organizational and time-management skills.

## Work Experience

### Video Editor For World Bank Group

8-16 October (Annual Meetings)

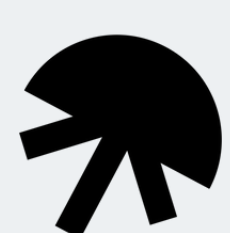

- Collaborate with clients, directors, and production teams to ensure the final product meets their vision and expectations.
- Use color correction and audio mixing techniques to enhance the overall quality of each project.
- Manage project timelines and delivery schedules, ensuring all deadlines are met.
- Assisted with location shoots, camera work, and other production tasks as needed.

### Video Editor For Dreamtek

October

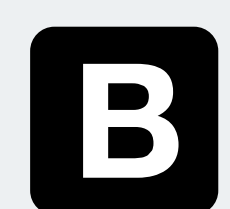

- Edit videos for various platforms, ensuring they meet specific size and quality requirements without compromising on visual integrity.

### Video Editor At Jellysmack

September 2023 (Present)

- Edit short- and long-form video content for various platforms including Facebook, Instagram, and snapchat.

### Junior Video Editor For [Cultivation-Agora]

April 2020 to May 2022 (1 year, 2 months)

- Assisted lead editors on various projects, including plugins, graphics, and content creation.
- Learned the ins and outs of video editing and post-production, including video composition and visual effects.
- Contributed to the development of storyboards and visual concepts, bringing fresh ideas to the table.
